Please complete and fax this form to Robert McBeath at (309-820-0076), to sign-up for E-Cashflow Systems.

E-Cashflow Systems uses Automated Sweep Technology to increase revenue, increase cash flow, reduce costs, and drive customer retention.

Key Benefits Include:

- You receive 100% face value of all collected checks
- An average of 20%-40% NSF collected over other methods
- Cashflow increased up to five times faster than traditional collection processes
- Reduce bank fees on returned checks
- No equipment or software to purchase
- Regular reports showing check recovery status
- Direct deposit of collected funds
- Elimination of embarrassing phone calls and letters through non-intrusive systems
- Proves more time and money to grow business
- All eCashflow Systems provided at NO cost to you!
